

Newsletter October 2022

Hello to all local residents and OneStonegrove centre users. It's been ages since we last sent out a paper newsletter, so we wanted to reach out and tell you a little about what's currently going on.

News includes some new classes for older local residents, some upcoming events and also our plans to install a defibrillator outside OneStonegrove. It's been a challenging year for our team both operationally and financially, but we've come through it optimistic for our future, and with an expanded and renewed team ready to continue to empower and develop local community cohesion.

We are here to work with and for you, so please don't hesitate to contact me directly with any suggestions, ideas, challenges or offers of help. You can email me at gus@sct.london or call me on 020 8357 0923.

Gus Alston, CEO

Help us get a Defibrillator for Stonegrove Estates

OneStonegrove wants to provide a Defibrillator (or AED), to be located outside the centre for easy public access, 24/7, to assist with events of Sudden Cardiac Arrest (SCA).

There are 100,000 deaths from SCA occur each year in the UK, and 270 children die in the UK every year after suffering a SCA at school. 90-95% of those who have an SCA will die without immediate treatment, and 70% of SCAs happen outside a hospital.

Defibrillators in the community help save lives!

If an AED is used - and effective cardiopulmonary resuscitation (CPR) is performed - within 3-5 mins of SCA, chance of survival increases to 74%.

The emergency services average response time to a cardiac event incident in an urban area is 11 minutes. For every minute that goes by where a victim of SCA does not receive treatment, their chance of survival decreases by 10-14%. Having a defibrillator at OneStonegrove would help save the lives of people in our community.

We want to raise £1,632 by Sunday 27th November 2022. Any extra funds raised will go towards:

- Additional CPR-related services and training
- Contingency for the project to protect against price fluctuation

If you're not able to donate, please help your community by sharing our fundraiser.

Volunteer with us at OneStonegrove

Do you have the time and a passion to support your local community through volunteering?

We have two live opportunities for you to volunteer with us at OneStonegrove.

Play Assistant for Free Play project

Free Play is our popular weekly play session for 4-7 year olds. Our playwork approach means children direct their own play using loose parts and materials, proven to develop independence, creativity, conflict management, social skills and teamwork.

Can you volunteer 3 hours a week during term-time - Thursdays 3 - 6pm? To find out more contact Nikki - nikki@sct.london - or apply through Volunteering Barnet: <https://bit.ly/sctplay>

Resident Trustee

Could you be our next One Resident Trustee? If you live on the Stonegrove Estate or nearby Contact our CEO Gus to find out more about the role via email gus@sct.london.

More details, including a role description and how to apply, can be found on our website: sct.london/become-a-trustee/
